- Pool Parties, and party package add-ons are scheduled on a first-come, first-serve basis.
- These prices are based on a total of 25 people per rental - which includes everyone on the pool deck and in the water. These numbers are for the safety of everyone using the facility. Please keep within these parameters. If numbers exceed allotted amount, you may be asked to leave for safety purposes. Please contact the Aquatics Director if you feel your number may exceed 25 people, so we are able to discuss options. You must notify the Aquatics Director of any changes within two (2) weeks of your party.
- Fees include lifeguards for 30 people with use of the pool. Other people will be in the pool at this time unless you book an Exclusive Party.
- A 10-minute safety break every hour is in effect during all rental hours.
- No glass containers are allowed on the pool deck. No alcohol is allowed on the property. Food can be brought in from outside locations, but grilling is not permitted on the pool deck.
- Must pay in full to make reservation final. If for some reason you need to cancel your party you must cancel within 30 days by filling out a cancellation form at the Member Services Desk. A \$25 fee will be charged for ALL cancellations.
- Participants are responsible for decorations, set up and cleanup. If area is not cleaned, a \$25 fee will be added to your party. Parties must be cleared out and cleaned up 10 minutes before the end of the event. The lifeguard will blow the whistle to clear the pool 10 minutes prior to the final hour in order to clear the pool.
- The Y is not responsible for incidents or injury while on the pool deck.
- You may come to the pool to set up or drop off gifts and party supplies 15 minutes prior to your start time. All facility rules, including pool rules must be followed while at the YMCA of the Highland Lakes.
- For everyone's safety, kids 0-4 years must have a parent in arm's length at all times and be actively supervised. If this cannot be accomplished, then the child cannot enter the water. Ages 5-12 years can swim alone if they pass the swim test. All facility pool rules are in effect for all party guests and participants.
- Your child must pass the swim test before using the Wibit or swimming beyond the non-swimming area. Any child with the party who is unable to pass the swim test must wear a coast guard approved floatation device unless accompanied by a parent within arm's reach in any area of the pool.

- All children not potty trained must wear a swim diaper and plastic pants (liner).
- Party guests are not allowed in the Y gym or facility at any time. All guests will have access to the locker rooms, bathrooms and pool. In cases of lightning or thunder, Y staff will close the pool for the safety of all of our guests. If this is to happen for more than half of your party, we will allow you to re-schedule for another date or refund a portion of your party. If we have a party room available you may request or be offered use of that room. If you choose to use the room no portion of your party will be refunded and you will not be rescheduled.
- Of note, an additional lifeguard can be requested at a cost of \$50 per party slot, which will add an additional 20 people to your party size allowed on the pool deck. Larger groups (up to 100 people) can be booked upon request. Please speak with the Member Services Desk (512-756-6180) for details.
