### Tiny Tot (18 mos - 3yrs old)

This class is designed specifically for toddlers and their parents! In this class parents and children work together to increase the child's attention span, special awareness and motor skills. We will accomplish these goals with group time activities like games and songs, as well as rotation on vault, bars, beam, floor and trampoline.

Must be within ratio of one child per adult.

### Flippin' for Fun (3 yrs old)

The Flippin' for Fun class is designed to give your child independence! In this class children work to increase their confidence, ability to work in a structured environment, and continue to build fine motor skills. Our curriculum includes an emphasis on weight transference, balance and body awareness. We play games and provide fun filled learning obstacles.

Classes are 45 minutes

### Developmental (4-5 yrs old)

This class prepares children for the Beginner level Year-round Progressive program. Your child will be introduced to basic body positioning and gymnastics terminology.
