Afterschool Hours: 3:00pm-6:30pm

Important Information for Pick-up

Please plan on picking up your child no later than 6:30pm each night.

Pick-up Location: YMCA utilizes a "curbside" pick-up system to reduce the number of people entering buildings/property. Curbside pick-up will be held in the parking lot outside of the cafeteria. The Cafeteria is located on the side of school near the playground. Once parked, you can text **512-883-6644** and wait for a staff member to come and greet you by the YMCA sign.

How to pick-up: A Pin # will be issued via the email on file to the primary parent(s). The pin # email will be sent from a system called KidKiosk. If you haven't received it, please check your junk mail/spam folder. You will use your Pin # at the iPad to sign your child out as this is how we keep track of the children. For your child's safety, please be prepared to show your **ID** every time you arrive for pick-up. If you will be picking up your child early, please communicate that information with our staff as early as possible.

Face Mask Guidelines:

- **All students are required to arrive at Y Afterschool wearing a face covering each day.**
 - Students will use face coverings while indoors or at those limited times when social distancing cannot be maintained. Students will NOT be required to wear a mask when eating, and playing outside.
 - Our staff is required to wear a face mask at all times.
-

Afternoon snack will be provided. If your child has food allergies, please speak to staff on-site. If you feel like your child will need additional snacks other than what is provided or if your child has specific dietary needs, please feel free to pack extra snacks for them.

Please label all of your child's belongings with first and last name. The Y is not responsible for any lost or stolen items. Please make sure to leave all electronics (other than those designated for schoolwork), toys, and Pokemon cards at home.
