Mask Guidelines:

- **Effective Monday, June 7th**, our Licensed Child Care Offices/ Preschool at the Y **will no longer require masks and temperature screenings** to enter the building, but strongly encouraged, for all staff and parents entering and exiting the building.
- We ask parents not to linger inside the building to help us maintain as limited exposure as possible.

What To Pack:

- Water Bottle with a lid and a handle, if possible
- Lunchbox with meals that do not need to be warmed for Lunch
- Two sets of extra clothes
- A Towel
- Swimsuit
- Sandles for swim days
- Sunscreen and/or Bug spray

- Proper attire for the weather, including closed-toe shoes, unless otherwise noted
- Hats are highly recommended but not required.

We will not be providing lunch. Each camper is required to bring their own lunchbox to camp each day. If your child wishes to bring their own breakfast to eat they are welcome to do so. We will provide a morning and afternoon snack. If your child is a picky eater or has any diet restrictions, they are more than welcome to bring their own snacks! Also, please refrain from packing any products containing nuts in your child's lunch, as **we are a nut-free facility.**

The only thing that will go home on a day-to-day basis is your child's lunchbox. We will wash all water bottles and towels at the end of the day. We will send all camper belongings home on Fridays.

There will be no naptime for this age group, so blankets are not needed.
