

# LISD Enrichments

These courses will run **Monday-Thursday** from **3:00-4:00pm** and on **Wednesday** from **1:30-2:30pm**.

**Spanish: \$55** Hola Amigos! Join us as we explore the Spanish language and learn colors, numbers, phrases, songs, skits, crafts and more! This class encourages the openness to new experiences and furthers appreciation of another culture!

**Sports: \$60** Our focus is participation and fun! Each participant will learn and develop skills of the game through drills, games and activities! Each week we will focus on a different sport to include soccer, basketball, flag football and volleyball!

**Top Chef: \$65** If you like hands-on fun and have taste buds that are up for an adventure, this class is sure to be sweet! Join us as we learn about kitchen safety, proper food handling, balanced meal planning and more!

**Robotics: \$100** Join us as we learn about robotics, technology and programming. This class integrates science, engineering and math concepts while promoting problem solving and teamwork!

**STEAM: \$60** Learners will boost their knowledge and confidence in the areas of science, engineering, math, and arts through activities and hands on projects that will have them engaged and excited!

**Yoga: \$60** Through yoga poses, breathing techniques and meditation/relaxation exercises, participants will learn a deeper connection with their own bodies. All while learning physical skills of strength, balance, flexibility and having fun!

**Dance: \$75** Join us as we educate dancers in multiple disciplines with emphasis on proper technique and appreciation of the art of dance all while having fun. Dancers will explore movement, rhythm and build their own creativity!

**Arts & Crafts: \$55** Calling all artists! If you enjoy creativity, getting your hands dirty, learning new techniques and working with mixed media, this is the class for you!
